INTRODUCTION

This report of Delaware public school racial and ethnic information was compiled from the September 30, 1986 school enrollment reports. Table 1 of the report includes those students submitted for regular, special, and vocational funding by school. Tables 1 and 2 are computer generated; consequently, these tables are arranged by district code by county. Students attending Kent and Sussex Vocational School District schools and the New Castle Vocational District's Hodgson School (part-time vocational schools) are reported in their home school and also reported in ( ) on the last page of Table 2, Racial and Ethnic Summary by School District.

Table 3 includes the percentage of black students by grade by school district. Table 4 presents the racial composition by school district from 1984-85 school year to 1986-87 school year.
